Tuxford Academy Admissions

1. Admission numbers

The Published Admission Number (PAN) for Tuxford Academy is 248.

2. Post 16 Admissions

Admissions to Tuxford Academy's Post 16 Centre are subject to a separate policy: Post 16 Admissions. This is available on request, or can be viewed on the academy's website:

www.tuxford-ac.org.uk

3. Applications for admission to Year 7

All applications for the 2022 cohort are managed through the National Co-ordinated Scheme and Tuxford Academy participates in Nottinghamshire's Fair Access Protocol. Parents or carers should apply through the Common Application Form either online or by mail through their 'home' local authority in which they are resident at the time of application. The closing date for applications for places in the 2022 cohort is 31st October, 2021. Applications received after this date will be regarded as late and processed after the first round of applications has been considered, from 1st March 2022. For more information regarding the application process, please visit Nottinghamshire County Council's website:

www.nottinghamshire.gov.uk/learning/schools/admissions/

4. Oversubscription Criteria

When the school is undersubscribed all applicants will be admitted.

When the Academy is oversubscribed, after the admission of students who have a statement of Special Educational Need or Education, Health and Care Plan (EHCP) where the school is named in the Statement, priority for admission will be given to those children who meet the criteria set out below, in priority order:

- (1) Looked after children and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangement order, or special guardianship order.* This includes children who have been in state care outside of England and ceased to be in that state care as a result of being adopted.

**A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). Further references to previously looked after children means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.*

A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society. Children who were adopted under the Adoption Act 1976 and children who were adopted under section 46 of the Adoption and Children Act 2002. Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

- (2) Children who live in the catchment area** and who, at the time of admission, will have a sibling attending Tuxford Academy.
- (3) Other children who live in the catchment area.
- (4) Children of staff who have been employed at Tuxford Academy for at least two years and/or are recruited to fill a demonstrable skill shortage.
- (5) Children who live outside the catchment area but who are attending a Tuxford Family linked primary phase school on the closing date for applications and who will have a sibling at Tuxford Academy at the time of admission.
- (6) Children who live outside the catchment area and who, at the time of admission***, will have a sibling# attending Tuxford Academy.
- (7) Children who live outside the catchment area but who are attending a Tuxford Family linked primary phase school on the closing date for applications.
- (8) Other children who live outside the catchment area.

**A map of the catchment area is available on request, or through the academy's website: www.tuxford-ac.org.uk

In the event of over-subscription within each of the criteria, priority will be given to children who live nearest to the school 'as the crow flies' (by straight line). Distances are measured from the main administrative point at the school campus to an address point (using eastings and northings as defined by Ordnance Survey) to the child's home address using the local authority's computerised distance measuring software. The home address is defined as the child's place of residence for the majority of the school week. In the event of two applications that cannot be separated by distance, both will be allocated.

Three documents to confirm proof of address may be required in the form of:

1. Solicitor's letter confirming completion of a house move, signed tenancy agreement or rent book
2. Utility bill, driving licence or evidence of council tax payment schedule.
3. Child benefit book, child tax credit record or doctor's record

***'At the time of admission' for the above purpose means on roll at the school at the time of admission.

#For school admissions the academy will consider the following as sibling:

- A brother or sister who share the same parents
- A half-brother or half-sister or legally adopted child living at the same address as the child
- A child looked after by a local authority placed in a foster family with other school age children
- Stepchildren or children who are not related but live as a family unit, where parents both live at the same address as the child.

6. Appeals

If a student has been refused a place, the parents/carers have the right to appeal against the decision. The deadline for lodging appeals allows appellants at least 20 school days from the date of notification that their application was unsuccessful to prepare and lodge their written appeal. Advice on how to lodge an appeal will be included in the letter advising that a place has been refused and more details on the appeals process can be found on the County Council's website:

www.nottinghamshire.gov.uk/learning/schools/admissions/appeal-a-decision

7. Waiting lists

Tuxford Academy does not operate a waiting list for any other year group except Year 7. In Year 7 the academy will operate a waiting list when it receives more applications for places than there are places available. It will operate until 31st December in the academic year of admission. Names will automatically be placed on the waiting list following an unsuccessful application unless we hear from parents to the contrary.

Children's positions on the waiting list will be determined solely in accordance with the oversubscription criteria set out above. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

Priority will not be given to children based on the date the application was received or the date their name was added to the list. Looked after Children, previously looked after children and those allocated a place in accordance with a Fair Access Protocol will take precedence over those on the waiting list.

8. In Year Admissions

The Academy participates in Nottinghamshire County Council's in-year scheme. For full details, please refer to the County Council's website

www.nottinghamshire.gov.uk/learning/schools/admissions/changingschool.

In-year applications for admission to Years 8-11, and Year 7 after 31st December* (see section 7), are considered each in turn by the Governors' Admissions Panel, and dealt with according to the oversubscription criteria contained within this policy.

*this includes applications that were previously subject to the Year 7 waiting list. After 31st December, anyone on the waiting list who wishes to repeat their application, must re-apply through Nottinghamshire County Council's in-year scheme.

9. Withdrawal of Offered Places

An offer of a place at the academy may be withdrawn if the parent/carer has not responded by the deadline for acceptance as outlined in the original offer. A reminder letter will be sent to anyone who has not responded by this date. If the academy has still not received confirmation that the place is required by the extended deadline outlined in the reminder letter, it will be assumed that a place is not required and the offer will be withdrawn.

The offer of a place will also be withdrawn if it has been obtained through a fraudulent or intentionally misleading application.

In both of the circumstances outlined above, the applicant has no right of appeal against the withdrawal of an offer and must re-apply for the application to be considered afresh. A right of appeal is then offered if an offer is refused.

10. Children of UK service personnel (UK Armed Forces)

Places for children of service personnel with a confirmed posting to the academy's catchment area will be considered against the oversubscription criteria, providing the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address.

11. Admission of children outside the normal age group

Parents/carers may seek a place for their child outside of the normal age group, for example, (1) if the child is identified as more able and, following appropriate professional assessment, is suitable for entry into a cohort above their chronological age group, or (2) has experienced ill health or other circumstances leading to significant gaps in their education and it would therefore be appropriate for them to enter a cohort below their chronological age group.

Parents/carers should submit a request in writing to the academy via their home county council's school admissions team as early as possible. Decisions will be based on the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, the child's medical history and the views of a medical professional and whether they have previously been educated out of their normal age group. When informing a parent of the decision on the year group to which the child should be admitted, the parent will be notified of the reasons for the decision.

Where it is agreed that a child will be admitted out of the normal age group and, as a consequence of that decision, the child will be admitted to a relevant age group (i.e. the age group to which pupils are normally admitted to the school) the local authority and admission authority must process the application as part of the main admissions round on the basis of their determined admission arrangements only, including the application of oversubscription criteria where applicable. The parent has a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place in the school but it is not their preferred age group.
