

Media KS3 Progress Ladder

Progress

5	Show leadership qualities by supporting peers to develop and refine their own ideas	Make a significant contributing to an outstanding, thought-provoking and highly skilled piece of work	Justify intentions by making outstanding links between intentions, technique & final presentation	React personally to a stimulus	Seek challenge	Link your points to drama techniques and style/genre					
4	Be critical in your approach to creating work, consistently analysing and developing	Demonstrate a high level of focus, confidence and commitment to your contribution	Apply appropriate terminology and techniques to make suggestions on how work could be further developed	Volunteer contributions to a class	Independently seek answers	Provide specific examples for development					
3	Explore, select and champion innovative techniques and devices	Communicate meaning by effectively utilising appropriate techniques/devices	Offer an objective view by analysing how various techniques communicated meaning	Enter into a dialogue in a team	Ask open questions	Use Drama terminology throughout to support your points					
2	Consider how meaning could be communicated by suggesting multiple ideas	Make practical use of appropriate techniques and devices	Identify strengths and areas for development	Ask for or offer help	Ask closed questions	Use SPaG with basic accuracy to make clear points.					
1	Offer an idea to your group on a given stimulus/project	Take on a specific role in your presentation and/or project	Identify which aspects of a piece of work you liked and which you did not	Share with a partner	Enjoy learning new facts	Write using full sentences, in a way that mostly makes sense.
