

## Philosophy and Ethics KS3 Progress Ladder

Progress ↑	Accept reasons for differences and evaluate their strengths	Use specific evidence	Explain a range of ideas/viewpoints using evidence	Confidently present to a large group	Explain different reactions to situations	Use complex SPaG effectively, including correctly spelling specialist vocabulary
	Explain reasons for differences and begin to accept these	Use more than one piece of evidence	Explain some ideas/viewpoints using evidence	Volunteer contributions in a class	Imagine yourself differently in different situations	Use SPaG with considerable accuracy, including writing in clear paragraphs
	Identify reasons for differences	Use a piece of evidence effectively	Explain an idea using evidence	Enter into a dialogue in a team	Explain reasons for emotions and views	Use SPaG with general accuracy, including correctly using capital letters for key words
	Select relevant differences	Use a piece of evidence	Explain an idea/viewpoint without using evidence	Ask for or offer help	Recognise other emotions and views	Use SPaG with basic accuracy, including writing in full sentences
	Identify that there are differences	Identify evidence	Describe what something is	Share with a partner	Recognise own emotions and views	Write in a way that mostly makes sense
	<b>ACCEPTANCE</b>	<b>EVIDENCE</b>	<b>EXPLANATION</b>	<b>VERBAL CONFIDENCE</b>	<b>EMPATHY</b>	<b>LITERACY-WRITING</b>
