

# Provisional Option Blocks 2024-2026, Current Y9

Option blocks are provisional. Final student numbers and staffing availability will determine whether the courses offered will be available. Option blocks remain subject to change and student choices are not guaranteed.

Option 1	
History	Geography
Students must choose history or geography from option block 1. This humanities subject will start in March/April of this academic year. If you wish to study both history and geography at GCSE then you must choose history in option block 1 and geography in option block 2.	

After the evening, students will receive a link via Weduc to a MS Form to complete their option choice online.

Students will need to select **one subject from each option block**.

There will also be a section to let us know if you have any option clashes.

We have included a column to show aspects of the courses using the following key:
